

Dayo Scuba Rental Policy

The renter acknowledges that they are renting and taking responsibility for our gear for the dates printed on the front of this form.

Each day after this due back date, the renter's credit card will be charged the daily rate for the gear.

After seven days, the renter's credit card will be charged the FULL RETAIL AMOUNT (minus rental fees) for the gear.

If any questions, feel free to ask us question on our new policy.

Arrangements can be made for later return, just call us!

Thank you
